

CAREER DAY FOR DATA SCIENCE PROFESSIONALS: Connect, Learn, Grow 13.00–14.50

@ D3A, August 25, 2025

Industry Perspectives Panel: Data Science Careers

Suvi Hokkanen, MD PhD MPH
Senior Director @ Novo
Nordisk, Human Disease
Understanding
**Leading an area bridging clinical
insight with data science for drug
discovery. Expertise from pharma,
CROs, academia and clinics.**
#DrugDiscovery
#HumanData

Morana Vitezic, PhD
Senior Director @ Novo
Nordisk, Scientific Digital
Capabilities
**Experience from academia and
industry. Now a leader of
leaders bridging science and
tech**
#Digitalisation
#AcademiaToIndustry

Martin Olsen, PhD
Head of AI Engineering @ Novo
Nordisk, AI Engineering
**Industry to academia and back, changing
domains with data science and
software engineering at the center.**
#EnterpriseAI
#MachineLearning
#CareerTransitions

Industry Perspectives Panel: Data Science Careers

Toine Bogers

Associate professor @ IT University of
Copenhagen & Chief Scientific Officer @
Pioneer Centre for AI

**Dedicated to applied AI research to solve-real world
problems**

#InformationAccess

#AI4Work

Adam Hulman

Associate Professor in Predictive Modeling @
Aarhus University & Senior Researcher @ Steno
Diabetes Center Aarhus

**Building bridges between data science and clinical
research to improve utilization of multimodal
clinical data for prediction of health outcomes**

#ClinicalPrediction

#Collaboration
